Nutrabiol® Grapeseed: Science-Backed OPCs for Cardiovascular Wellness

Cardiovascular diseases are a leading global health burden, strongly linked to hypertension.

High blood pressure increases the risk of serious vascular events such as stroke and heart attack.

Botanical ingredients are increasingly used to support heart and vascular health.

At BTSA, we offer **Nutrabiol® Grapeseed**, a premium natural extract from white grape seeds, rich in OPCs and powerful antioxidants that support cardiovascular wellness.

Nutrabiol® Grapeseed

reliable & versatile performance

- Blood pressure support
- Vascular function support
- High antioxidant power
- OPC-rich ingredient
- Heart health support
